STEP #2

Sort

Keep | Toss | Sell

KEEP the items that you just aren't ready to part with yet.

TOSS the items that are too well-loved (stains, holes, missing pieces, or are not working).

SELL the rest!

SELL the items that meet these 4 C's:

CLEAN

The newer it looks, the better it sells. Check carefully for stains and holes in clothing. Clean all clothing and non-clothing items thoroughly.

CURRENT

Sell warm weather clothing and shoes at our Spring/Summer sale. Sell cold weather items at our Fall/Winter sale. Shoppers love current styles that are in fashion.

COMPLETE

Be sure all parts and pieces are present before you tag items. If an item requires batteries, make sure batteries are included so a shopper can ensure an item is in working condition.

COMPLIANT

Important safety guidelines apply to car seats, cribs, infant equipment and toys. The top 10 safety alerts are located here: [safety matters](#). For more information about recalls, please visit the [Consumer Product Safety Commission](#).

safety waivers required for all cribs & car seats

STEP #3 Price

Shopper-Focused Pricing

Ask yourself, "What price would make me buy this item without hesitation AND brag about my bargain to my friends?"

Brands	JBF Clothing Price	Pricing Non-Clothing Items	
<p>Value: Jumping Bean, Garanimals, Cherokee, Circo (bundling encouraged)</p>	\$1-2	<p>Toys Books Baby Gear Furniture Electronics Strollers + Joggers Sporting Goods</p>	<p>▲ Price a little higher for:</p> <ul style="list-style-type: none"> • new with tags • hot selling • like-new • large toys
<p>Standard: Cat and Jack, Old Navy, Carter's, Gap, H&M, ZARA, Children's Place</p>	\$3-6	<p>60-80% off retail</p>	<p>Price a little lower for:</p> <ul style="list-style-type: none"> • infant clothing • light weight clothing • maternity
<p>High Value & Boutique: Kyte Baby, Posh Peanut, Little Sleepies, Kickee Pants, The North Face</p>	65-75% off retail	<p>Want to SELL even more? Choose to REDUCE, which allows your items to sell at 50% off during discount sale days</p>	<p>▼</p>

Bundle Items to Save Time

As you are thinking about prices, consider creating sets or bundles. Put an outfit together, or a set of same-size onesies. Bundle 6 pair of socks together, or several superhero figures. Shoppers love it, and you only have to create one JBF tag!

The Power of \$.50

It's a best bet to add 50 cents to your price. When you sell 100 items you make \$50 just from that extra \$.50!

Print Your Tags

Print tags on 8.5"x11" white cardstock. Tags print 9 per page.

STEP #4 Prep

Preparing Your Items & Attaching Tags

Now that your JBF tags are printed, cut them apart and sort them by gender, type, and size to make this step go smoother.

Gather these supplies:

- white card stock
- safety pins or tagging gun
- hangers
- scissors
- clear ziploc bags
- clear tape & painter's tape
- hole punch
- zip-ties

ATTACHING TAGS

- Make sure tag is attached securely so it won't fall off.
- Secure all pieces together so they won't separate and always tape bags closed.
- Hats and accessories: attach the tag directly to the fabric with a safety pin.
- Zip-tie tags directly to toys - this is one of the easiest and most secure ways to attach a tag.

STEP #4 Prep

CLOTHING

Watch all JBF prep videos [HERE](#)

The best way to learn is to take a few minutes to watch our videos.

We promise it will make everything easier!

Hanger Direction

Be sure the hanger hook opens to the left, like a question mark. Attach JBF tag to top right or middle of item. All clothing must be on hangers. Attach JBF tag with safety pin or tagging gun.

Hanging pants or shorts to hanger

Pants or shorts must be attached to the TOP of the hanger. Go through the MIDDLE of BOTH areas of the waistband to keep the pants from gaping and sliding to the bottom.

Clip hangers are also great - you can sometimes get them free from retail stores.

Tagging Gun - [SEE TAGGING GUN GUIDE HERE](#)

VERY IMPORTANT: Only puncture the garment tag or an inside seam so that you do not damage the fabric.

STEP #4 Prep

Hang the following items on hangers:

- Receiving Blankets/Sheets
- Swaddles
- Changing Table Covers/Mattress Protectors
- Towels
- Baby Carriers
- Diaper Bags

ACCESSORIES

Use clear bags to bundle sets of socks, bows, accessories, and infant items. Do not put socks in balls. Display neatly so shoppers can see well.

Tape JBF tag inside or outside so it's easy to see and tape bag closed.

SHOES

Hole-punch your tag and use a zip-tie to secure shoes and tag together. For shoes that can't be zip-tied, use a safety pin or place in clear bag. Most shoes have a spot to zip-tie – get creative.

Remember to reinforce the top of the tag with tape before you hole punch.

BUNDLES

Multiple items - that are all the same size - can be hung on a single hanger. Use a safety pin to attach pants/skirts to hangers.

You can use a pant hanger to bundle multiple onesies, pjs or pants together.
